CURRENT POSITION

Senior Lecturer in Pathology
Department of Paraclinical Sciences
Faculty of Medicine
General Sir John Kotelawala Defence University

QUALIFICATIONS

Undergraduate Qualification

Bachelor of Medicine, Bachelor of Surgery (MBBS)
Faculty of Medicine
University of Colombo, Sri Lanka
Date Obtained: November 1999

Postgraduate Qualifications

Diploma in Pathology
Postgraduate Institute of Medicine
University of Colombo, Sri Lanka
Date Obtained: November 2006

MD in Histopathology
Postgraduate Institute of Medicine
University of Colombo, Sri Lanka
Date Obtained: November 2008

CARRER AND EMPLOYMENT:

Intern Medical Officer (2000 – 2001)
North Colombo Teaching Hospital, Sri Lanka

Reserve House Officer – RHO (2001 – 2002)
North Colombo Teaching Hospital, Sri Lanka

Assistant Medical Officer of Health (AMOH) (2002-2003)
MOH Office, Habaraduwa, Galle, Sri Lanka

Postgraduate Diploma in Pathology – Trainee (2003 – 2006)
Sri Jayawardenepura General Hospital, Sri Lanka

Registrar in Histopathology (2006 – 2008)
Department of Pathology
Faculty of Medicine, Colombo, Sri Lanka

Senior Registrar in Histopathology (2008 – 2009)
Department of Pathology
Faculty of Medicine, Colombo, Sri Lanka

Specialist Registrar in Histopathology (2009 – 2011)
Hunter Area Pathology Service
NSW, Australia

Consultant Histopathologist (2011 – 2012)
District General Hospital, Trincomalee, Sri Lanka

Consultant Histopathologist (2012 – 2014)
Base Hospital, Elpitiya, Sri Lanka

Senior Lecturer (2014 – Present)
Faculty of Medicine
General Sir John Kotelawala Defence University

ADMINISTRATIVE POSITIONS HELD IN THE UNIVERSITY

Head, Pathology (February 2014 – February 2022)
Faculty of Medicine
General Sir John Kotelawala Defence University

Head, Department of Paraclinical Sciences (May 2020 – May 2023)
Faculty of Medicine
General Sir John Kotelawala Defence University

ADMINISTRATIVE POSITIONS HELD IN THE UNIVERSITY

Head, Department of Pathology (June 2020 – Present)
University Hospital, KDU

Head, Division of Histopathology (June 2020 – Present)
University Hospital, KDU

Head, Division of Haematology (June 2020 – 2021)
University Hospital, KDU

OTHER POSTS HELD

Secretary, Ethical Review Committee (2015 – 2019)
Faculty of Medicine
General Sir John Kotelawala Defence University

Coordinator, CPD Programme (2021)
College of Pathologists

Student Mentor (2019 and 2022)
Faculty of Medicine
General Sir John Kotelawala Defence University

Student Counsellor (2024 – Present)
Faculty of Medicine
General Sir John Kotelawala Defence University

Coordinator – Fall-Back Option, BSc in Health Sciences (2023)
Faculty of Medicine
General Sir John Kotelawala Defence University

Coordinator – Curriculum Revision Committee, BSc (MLS) Programme (2015)
Faculty of Allied Health Sciences,
General Sir John Kotelawala Defence University

Convenor
Diagnostic and Therapeutic Services Committee
UH KDU.

Member
Board appointed to submit recommendations on including Chemistry as a subject in the MLS curriculum of FAHS, KDU.

Member (2018)
Organising Committee
KDU & Mayo Clinic (USA)
International Conference on Nephrology, Dialysis, Transplant Medicine and Oncology

Member, University Senate (2020 – 2023)
General Sir John Kotelawala Defence University

Assessment of the Utility of Relative Circulatory Cell Free Mitochondrial DNA (ccf-MtDNA) Contents as a Biomarker for Early Detection of Breast Cancer in a Sri Lankan Cohort. Proceedings of the 18th KDU International Research Conference 2025.

28. CDG Prabodhya, M Kajan, **I Kumarasinghe,** R Perera, J Balawardane, N perera, GH Galhenage,. Feasibility of designing a CADMA-based real-time PCR assay for the detection of R248Q and R273C TP53 mutations. Proceedings of the 45th Annual Sessions of the institute of biology of Sri Lanka.

ABSTRACTS AND PRESENTATIONS

29. **I H S Kumarasinghe**, R EWickramarachchi. The quest for the source: Determining the origins of a bladder tumour. Proceedings of the academic sessions of the college of Pathologists 2025.CR 70.

30. C.D.G. Prabodhya, L.L.T.R. Cabraal, **I. Kumarasinghe**, R. Perera, J. Balawardana, N. Perera, C.B. Ganegoda, G.H. Galhena. Co-occurrence of TP53 R248Q and PIK3CA hotspot mutations in a Sri Lankan breast cancer cohort. Proceedings of the Young Scientists Conference on Multidisciplinary Research, 2025.

31. R.M.I.S. Rathnasena, P.K.D.C. Yasara, N.R.P. Perera, **I. Kumarasinghe**, J. Balawardena, S. Viswakula, N. Perera, G.H. Galhena. Mitochondrial DNA integrity as a potential biomarker for early detection of breast cancer in a Sri Lankan cohort. Proceedings of the Young Scientists' Conference on Multidisciplinary Research, 2025.

BOOKS AND BOOK CHAPTERS AUTHORED

Ward Handbook on Haematology, Biochemistry, Histopathology and Transfusion Medicine for Nurses
Bernadene Fernandopulle, Kisali Hirimuthugoda, Iranthi Kumarasinghe, Dammika Gunawardena, Chandima Kulathilake, Chamarika Moonesinghe

Histopathology Laboratory Handbook for MLTs
Dr Iranthi Kumarasinghe

General Pathology in a Nutshell for Students of the Allied Health Sciences
Iranthi Kumarasinghe

Unit Author – BSU 4235: Pathophysiology, BSc in Nursing Degree Programme, The Open University of Sri Lanka
Key Principles in Pathophysiology

- Disorders of the Reproductive System
- Disorders of the Musculoskeletal System
- Disorders of Sensory Organs

AWARDS

1. Cabraal LLTR , Kumarasinghe I, Perera R, Balawardane J, Viswakula S, Perera N, Galhena GH. Impact of PIK3CA Mutations on Disease Outcome & Recurrence-free Survival (RFS) of Sri Lankan Breast Cancer Patients; a Pilot Study. Proceedings of the Annual Academic Sessions of the Sri Lanka College of Oncologists 2024. Awarded the prize for best scientific paper.

2. Cabraal LLTR , Kumarasinghe I, Perera R, Balawardane J, Viswakula S, Perera N, Galhena GH. A preliminary investigation into somatic mutations of the PIK3CA oncogene and its role as a potential prognostic biomarker in breast cancer patients of Sri Lanka. Awarded the Professor P. C. B. and Clodagh Fernando Gold Medal for the Best Undergraduate Research Project in the Immunology and Integrative Molecular Biology Programme of the Department of Zoology and Environment Sciences, Faculty of Science, University of Colombo, for the year 2024

AWARDS

3. CB Ganegoda, I Kumarasinghe, J Balawardena, NRP Perera, S Viswakula and GH Galhena. Tumour infiltrating lymphocyte distribution patterns and clinic-pathological associations among molecular subtypes of breast cancer patients in Sri Lanka. Proceedings of the 18th International Research Conference of the KDU. Awarded the prize for the best poster presentation.

4. Bihara Ganegoda, Iranthi Kumarasinghe, Jayantha Balawardena, Ranga Perera, Sameera Wishwakula, Gayani Galhena. Prevalence of clinically significant PIK3CA hotspot mutations: A comparative cohort study of HER2-positive and HER2-negative breast cancer subtypes in Sri Lanka. Proceedings of the Annual academic Sessions of the Institute of Biology, 2025. Awarded the prize for the best e-poster.

5. Kosgallana EW, Malaviarachchi SL, Prathapan S, Wijetunge S, Hegoda S, Ratnatunga K, Gamage BD, Ratnayake P, Kandegedara SL, Kumarasinghe I, Prematilleke IV. Comparative performance of predictive models and the development of a novel predictive model for DNA mismatch repair deficient colorectal cancer in Sri Lanka. Proceedings of the Annual Academic Sessions of the Sri Lanka College of Oncologists 2025. Awarded the prize for best scientific paper.

6. Long Service Award of the General Sir John Kotelawala Defence University. This award is given in recognition of outstanding service of more than 10 years and invaluable contribution made to the university.
