Academic Profile

Senior Lecturer in Computer Science with teaching, research, supervision and academic leadership experience across undergraduate and postgraduate programmes. Research work spans machine learning, deep learning, explainable artificial intelligence, computer vision, biomedical and healthcare applications, knowledge-based systems, and emerging work on large language models and agent systems. Recipient of the Gold Medal for Best Postgraduate Student in the Physical Science Stream at the 50th General Convocation of the University of Sri Jayewardenepura. Active in international research networking through COST Action CA24121 on Knowledge Graphs and Large Language Models.

Machine Learning | Deep Learning | Explainable AI | Biomedical AI | Knowledge Graphs | Large Language Models

Academic Appointments

2025–Present — **Senior Lecturer Grade II**, Department of Computer Science, Faculty of Applied Sciences, University of Sri Jayewardenepura, Sri Lanka.

2024–2025 — **Senior Lecturer Grade II – On Contract**, Department of Computer Science, Faculty of Applied Sciences, University of Sri Jayewardenepura, Sri Lanka.

2025–2026 — **Visiting Lecturer**, NIBM, Sri Lanka.Advanced Diploma in Data Science

2024 — **Visiting Lecturer**, Next Campus, Sri Lanka and Dubai (in-person and online).

Delivered lectures to Sri Lankan and Dubai student cohorts in hybrid formats and designed course content for diverse international audiences.

2023–2024 — **Senior Lecturer Grade II**, Department of Computer Science, Faculty of Computing, General Sir John Kotelawala Defence University, Sri Lanka.

2017–2023 — **Lecturer**, Department of Computer Science, Faculty of Computing, General Sir John Kotelawala Defence University, Sri Lanka.

2014–2016 — **Temporary Lecturer**, Department of Computer Science, Faculty of Applied Sciences, University of Sri Jayewardenepura, Sri Lanka.

2015 — **Visiting Instructor, MSc in Computer Science**, Department of Computer Science, Faculty of Applied Sciences, University of Sri Jayewardenepura, Sri Lanka.

2014 — **Temporary Instructor**, Department of Computer Science, Faculty of Applied Sciences, University of Sri Jayewardenepura, Sri Lanka.

2013–2014 — **Software Developer (Intern)**, Solution Infinity (Private) Limited, Sri Lanka.

Education

2017–2023 **Ph.D.**, University of Sri Jayewardenepura

Thesis: *Personality Traits Assessment using Facial Features with Deep Learning Techniques*.

2008–2014 **BSc Honours Special in Computer Science**, University of Sri Jayewardenepura

Department of Computer Science, Faculty of Applied Sciences. GPA: 3.7/4.5.

Awards and Distinctions

2024 **Gold Medal – Best Postgraduate Student, Physical Science Stream**

50th General Convocation, University of Sri Jayewardenepura, Sri Lanka.

2023 **Best Poster Award, Computing Track – 16th International Research Conference KDU**

NTD Dharmasiri and WMKS Ilmini, *Home Garden-based Ayurvedic Plant Identification System Using Convolutional Neural Networks*.

2021 **Best Poster Award, Computing Track – 14th International Research Conference KDU**

RM Fernando, WMKS Ilmini, and DU Vidanagama, *Air Quality Prediction Using Machine Learning*.

2020 **National Best Quality Software Award – Tertiary (Undergraduate) Merit Award**

Mobile App for Automatic Identification of Snake Types Found in Sri Lanka Using Convolutional Neural Networks, Savini Abayarathne, WMKS Ilmini and TGI Fernando.

2019 **National Best Quality Software Award – Tertiary (Postgraduate) Merit Award**

Personality Detector, WMKS Ilmini and TGI Fernando.

Teaching and Research Supervision

Postgraduate teaching Python for Data Science; Machine Learning I; Data Structures and Alogrithms, Bioinformatics

Undergraduate teaching Machine Learning; Machine Learning for Data Science; Programming for Data Science; Object-Oriented Programming; Automata Theory; Bioinformatics; Operational Research; Fundamentals of Programming; Social Aspects of Computing; Software Architecture and Design; Data Structures and Algorithms.

Supervision & coordination Supervision of numerous BSc, MSc and Mphil research projects in ML, DL and AI across different domains; final-year project coordination; curriculum development committee participation.

Preprints

1. R. Aratchige and W. Ilmini, *LLMs Working in Harmony: A Survey on the Technological Aspects of Building Effective LLM-Based Multi-Agent Systems*, 2025.

International Research Networks and Professional Memberships

2026–Present — **Working Group Member – COST Action CA24121: Knowledge Graphs and Large Language Models (KGELL)**

European Cooperation in Science and Technology (COST), European Union. Working Group 1 (WG1): Augmenting Large Language Models with Knowledge Graphs.

2017–Present — **Professional Member**, IEEE (Institute of Electrical and Electronics Engineers).

2025–Present — **Life Member**, Sri Lanka Association for Artificial Intelligence (SLAAI).

2017–2025 — **Member**, Sri Lanka Association for Artificial Intelligence (SLAAI).

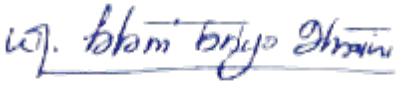

2018–2019 — **Professional Member**, Computer Society of Sri Lanka (CSSL).

2021–2023 — **Professional Member**, BCS, The Chartered Institute for IT.

Academic Leadership, Service and Coordination

2026–Present	**Senior Treasurer**, Computer Science Student Association, Department of Computer Science, Faculty of Applied Sciences, University of Sri Jayewardenepura.
2024	**Head of the Department**, Department of Computer Science, Faculty of Computing, General Sir John Kotelawala Defence University.
2023–2024	**Chair**, 4th Student Symposium, Faculty of Computing, KDU.
2023	**Faculty Coordinator**, 16th International Research Conference, Faculty of Computing, KDU.
2017–2024	**Level Coordinator**, Level Three BSc in Computer Science, Department of Computer Science, KDU.
2017–2022	**International/Local Competition Coordinator**, Faculty of Computing, KDU.
2017–2024	**Learning Management System Coordinator**, Department of Computer Science, KDU.
2024	**Counsellor**, IEEE Student Branch, KDU.
2018–2024	**Academic Advisor**, IEEE Student Branch, KDU.
2024	**Member**, Curriculum Development and Review and Quality Assurance Committee, Faculty of Computing, KDU.
2017–2024	**Review Committee & Organizing Committee Member**, International Research Conference of KDU.
2022–2025	**Review Committee Member**, Journal of Multidisciplinary Studies, International Journal of Research in Computing, Faculty of Computing KDU, and other international journals such as Clinical Interventions in Aging By Dove Medical Press, Taylor & Francis Group and Frontiers in Digital Health
	Review Committee Member, KDU-IRC 2017–2026; SLAAI International Conference 2023–2026; ICAC 2023; ICARC 2023; and other international journals.
2019–2023	**Resource Person**, KDU Certificate in Teaching and Higher Education (CTHE) Program.
2020–2024	**Coordinator**, Intelligent Research Laboratory, Faculty of Computing, KDU.
2018–2024	**Final Year Project Coordinator**, BSc Hons in Computer Science and Software Engineering, KDU.
2022–2024	**Department Research Coordinator**, Department of Computer Science, KDU.

I confirm that the information in this CV is correct.
